

TROOP 595 ADULT RESOURCE SURVEY

Boy Scouting is for adults as well as boys. In order to provide a quality scouting experience for the scouts in Troop 595, it takes active participation by the parents of the scouts. We invite you to share your skills and interests so the best possible program can be developed for the Boy Scouts in this troop. The troop committee wishes to find ways you can enjoy using your talents to help our Scouts. Your cooperation is greatly appreciated.

Please return this survey to Kim Groce. **Please fill out one form for each parent/adult.**

In addition, parents of scouts in Troop 595 or any adults involved in the Troop 595 program are required by St. Bernadette and the Archdiocese of Galveston-Houston to attend a workshop called VIRTUS which is the Catholic Church's equivalent of the Boy Scouts of America's Youth Protection Training. Our Church has developed this workshop to ensure that we provide a safe environment for children. Attendance at this workshop has been mandated for all persons who volunteer in any capacity that involves children and youth in the Archdiocese of Galveston-Houston. Because we are chartered by a Catholic church, the troop requires any adult who has regular contact with the boys to attend this workshop. **Are you willing to complete this workshop?** _____
